## The Mattress

- The pillow top boasts a sumptuously soft layer of wool, cashmere and Solotex™ luxury cushioning above the supportive mattress.
- This luxury no turn mattress features a ReActive™ 8 pocket spring system. Each ReActive™ spring has 8 active turns - independently and actively sensing your shape and weight distribution, providing comfort and support exactly where you and your partner need it.
- Upholstered with layers of non-allergenic white fibre and covered with the finest Belgian Damask to provide an exquisite, soft and silky sleep surface.
- Tailored with 2 rows of genuine hand side-stitching for additional edge-to-edge support, and hand-tufted for longevity.

## The Divan & Headboard

- Match with a sprung divan with 1,000 pocket springs in a 150cm for additional deep comfort and support, or with a solid top divan for a firmer feel.
- Choose an upholstered headboard to crown the bed.
- A personal design statement – headboards and divans can be upholstered in a range of fabrics to match any interior, creating a stunning bedroom centrepiece.
- Finishing touches – hidden storage drawers, a choice of feet or a divan skirt.
