COOLMAX® fabric is a unique material used to keep the body cool whilst sleeping. COOLMAX® is highly permeable which allows moisture from your body to be carried away and fresh air to reach your skin. This helps maintain your body temperature during sleeping, ensuring a comfortable night's sleep. COOLMAX® fabric is a trademark of INVISTA.

Single

Large Double

Twin

Three in one sleeping solution

The Juno guest bed can be set up as a single, large double or twin. An ingenious sleeping solution for guest rooms and rooms with limited space. Solid wood frame, and the 'under bed' has sprung loaded legs on castors to help glide into position.

DREAMWORLD
why just sleep when you can dream?
