The 32 round dining table has 3 folding leaves stored in base.

The dining table is equipped with a unique extension system. By turning the turntable under the tabletop the three leaves move synchronously to a position that makes room for the extension leaves in the base. When light pressure is applied the extension leaves unfold by means of a spring placed under the triangle in the middle of the table.

The dining table can be extended from six to nine seatings.

L: 120cm extending to 146cm

W: 120cm

H: 74cm
